Land Class Descriptions (beginner, intermediate, advanced)

(A) Advanced (I) Intermediate (B) Beginner
(All) everyone invited

Anything Goes Circuits (All) - A one-hour cardio workout designed to keep you moving and strength train your whole body. Participants spend about one minute at a station, which might include working upper, middle, and lower body parts. The cardio circuit stations may also include boxing, step, squats, lunges, jump rope, tire run, stairs, push-ups, ab crunches, shoulder and bicep/tricep work, etc. Cardio intervals are meant to keep your heart rate elevated. Stations can be modified for all fitness levels - come experience a total body workout!

Basic Yoga (All) -- A 60-minute class where members learn proper breathing techniques as well as poses (asanas) designed to build strength, improve flexibility, increase stamina, boost the immune system, reduce stress and improve balance. All fitness levels are welcome and members are encouraged to work at their own intensity level. Modifications will be given.

Boot Camp (All) - Surrender your usual workouts and do something completely different. Boot Camp Baby!!! This class consists of drills for cardio and toning that will whip your body into shape and sweat to your brow.

Pilates (All) – a 30 or 60-minute class designed to build strength, improve flexibility, increase stamina, boost the immune system and improve balance. Special emphasis is placed on traditional Pilates, developed by Joseph Pilates, to build core strength, i.e. abdominal, lower back, gluteals, hips and thighs.

Turbo Jam (All) - is the hottest kickboxing class around. You'll kick, punch and groove the calories away in this action-packed, super fun, super safe and effective cardiovascular workout.

Step (I) -- Using a Reebok step, you will be instructed to move around the floor and on the step to work both lower and upper body parts within a fat burning and cardiovascular range. Practice makes perfect so plan to come regularly to learn the movements and patterns, which will help you become an expert stepper.

Step Jamz (I) – Step choreography at its best. Nothing more needs to be said about this challenging and diverse exercise routine. Can you say HIGH ENERGY!

Ultimate Kickboxing: This class is a high intensity interval training workout using the techniques of kickboxing along with some other disciplines. You will jab and kick your way to a stronger heart and a more defined body.

Zumba (ALL) -- Zumba combines high energy and motivating music with unique moves and combinations. Zumba is a "feel-happy" workout that is great for both body and mind.

Zumba Gold: Does Zumba move a little too fast for you? Try Zumba Gold! It's a slower paced **Latin dance party** that is designed to emphasize the basics. Easy and effective for all ages, the Zumba Gold program includes Merengue, Salsa, Cumbia, Tango and more. Have a blast with the high-energy, motivating Latin music and experience why Zumba is the Fitness Party that's **sweeping the nation.**

50 + Low impact (All) – A low impact- low intensity all over body workout for the special seniors in our club. This class emphasizes both cardiovascular and toning needs. Stretching exercises will be used to increase your flexibility. Perfect for those with arthritis, fibromyalgia and other like conditions. This one's for you and no AARP card required!

Body Pump (All) Body pump is the original barbell workout that strengthens your entire body. This 60-minute program challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for—and fast. What are you waiting for?

Body Pump Express (All) is a 30-minute version of the Body Pump class including warm-up, squats, chest, legs and abs.

Pump at Lunch (All) is a 45-minute version of the Body Pump class. Just the perfect class to run to on your lunch hour.

Body Pump Form Class (All) - Come learn to do Body Pump Form in correct fashion. This 30-minute class will help you to perfect your squats, lunges, dips, presses, etc. in a safe teaching environment. This class is ideal for all levels of fitness.

Calorie Burning Intervals (I) Great combination of hi-low/kickboxing with some "drop dead" intervals mixed in. This class will challenge you physically while burning LOTS of calories! Lets kick it up a notch!

Power Core:

Improve your balance, posture and coordination! Shape your waist and tone your abs while strengthening your lower back! Using the stability ball, mat, weights and our own body strength for power, we will do a variety of power exercises including crunches, planks, bridges, pilates, yoga and more! Join us for an action-packed and unique class each week as we **POWER UP** the **CORE** at lunch!!!

Fit for Two:

The class is designed for prenatal and postnatal women who would benefit from exercise in a group atmosphere. The program is designed to positively influence pregnant women and to promote health and wellness during their childbearing years. The participants will be lead, by a certified aerobic instructor, through a variety of cardiovascular and strength training exercise, followed by stretching and relaxation techniques. Appropriate for all fitness levels.

CYCLE ROOM

Freestyle (All) - Cycling is one of the best workouts in the Fitness Center. Your instructor chooses the music and the Theme for each class. These are great cardiovascular classes that emphasize lower-body work. After an hour on the bike, you will not doubt that you burned a calorie or two. No previous experience with cycling is required. All fitness levels are welcome. First-time cyclists should come to class ten minutes early to learn the bike set-up.

RPM (All) - WOW! Come and enjoy excellent music, a motivational instructor and a pre-choreographed interval driven ride guaranteed to make you sweat like no other class. The program will change dramatically, with new music and new innovative intervals every three months and you can bet on that. No time for boredom with RPM. Burn calories, baby burn! This is a 45-50 minute class.

Power RPM (I, A) – A 60-minute in the saddle and out of the saddle class for those who just can spin enough. *We request that each cyclist bring a water bottle to class. Cycling pants are highly recommended but not required. We also recommend cycling shoes or shoes with a very firm sole for your comfort and safety and cycling efficiency.*
