

The **Oncology Wellness Program** is a collaboration of services provided by East Alabama Medical Center. Our Oncology Wellness Program helps patients and caregivers to live better, feel stronger, and grow through the challenges associated with cancer treatment. Services include exercise, massage therapy, nutritional counseling, and stress management. Best of all, these **services are at no cost to the patients!**

HealthPlus Fitness Center is organizing a Silent Auction and 1 Mile Celebration Walk called "Fit to Fight" to raise money for this wonderful cause on June 9, 2018. All of the proceeds go toward the cost of HealthPlus staff and rehabilitative training associated with the Oncology Wellness Program. We are accepting donations to help our event in order to continue this amazing program. Some examples of donations would include but not limited to: *sporting event tickets / gift baskets / professional services / gift certificates / etc.*

For example, if you donate a stay at a vacation home, please give us the following info:

- Time of availability
- All Fees (Security? Cleaning?)
- Pictures of place
- Location (general)
- Website to see place?
- \$ / Worth amount?
- Description (# people? Bedrooms? Bathrooms? Pets allowed? Amenities?)

Do not list address for privacy

If you would like to find out more information on how to donate, participate, or contribute, please contact **Rachel Carswell** at carswra@gmail.com, call HealthPlus Fitness Center at (334) 887-5666, or visit our website at:

<https://runsignup.com/Race/AL/Auburn/FittoFight>

Please contact Rachel about sponsorship or silent auction donations by May 20, 2018.

We truly appreciate your support in continuing this incredible program!
